

FAMILYWIZE PRESCRIPTION DRUG SAVINGS PROGRAM

Johnson City Area United Way, Inc. is working with the FamilyWize Partnership to make FREE prescription discount cards available to everyone in our community. Use this FamilyWize card to start saving money on your prescription drugs today.

IT'S EASY: Simply present your card and prescription to a participating pharmacy to obtain the discounted price. You always receive the lower of the discounted price or pharmacy's retail price. Cards can be used immediately - just present the card and a prescription to one of the 70 participating pharmacies within Washington, Carter & Sullivan Counties and then you will automatically receive whatever the discount is. It's that easy. There are no applications, fees, waiting period, or age and income requirements. Non-residents can use them, too and no personal information is collected. Even prescription pet medications purchased at a pharmacy are included!

Participating local pharmacies that accept the FamilyWize card include: Blankenship Pharmacy, Boones Creek Pharmacy, CVS Pharmacies, Family Pharmacy, Food City Pharmacies, Ingles Pharmacy, Jonesborough Drug, Kroger Pharmacies, McLeod Cancer & Blood Center, Medicine Shoppe Pharmacy, Mooney's Pharmacy, Olde Towne Pharmacy, Princeton Drug, Val-U-Pharmacy, Wal-Mart Pharmacies, West Towne Pharmacy, Wilson Pharmacy and Super Kmart Pharmacy.

HOW MUCH YOU SAVE: This card can save you and your family an average of 20% on 8 out of 10 prescriptions. You will pay either the discounted price or the pharmacy's retail price, whichever is lower.

NO RESTRICTIONS: Use your card as often as you need, for any prescription, for everyone in your family. There are no applications, fees, waiting period, or age and income requirements or registration required. Non-residents can use them, too and no personal information is collected.

\$100 MILLION IN SAVINGS: The goal of this community partnership is to reduce the cost of medicine for children, families and individuals with no prescription drug coverage by \$100 million in five years. The discounts and savings are provided voluntarily by the more than 53,000 participating pharmacies that have agreed to accept this card. Please thank the participating local pharmacies that voluntarily make these savings possible for so many people in our community.

You may print this page and cut out the card below. You can begin to use the card immediately for prescription savings at the pharmacies listed above. For location and contact information for local participating pharmacies, go to the bottom of the information.

ABOUT THE FAMILYWIZE PARTNERSHIP

In the spring of 2005, Dan and Susan Barnes decided to give a supply of free prescription drug discount cards to the Family Centers in the local schools in Bethlehem, Pennsylvania. They had heard of families who were having difficulty buying the medicine they needed because of the high cost and they wanted to do what they could to reduce the cost of prescriptions for families in the Lehigh Valley. The Family Centers involved the United Way of the Greater Lehigh Valley, who asked 25 of its partner agencies to help distribute the cards to individuals and families in need throughout the area. Almost immediately, Dan and Susan received requests to provide this free assistance to other communities. As a result, they established the FamilyWize Community Service Partnership in the fall of 2005.

They invited a group of local and national companies to join together to provide this free assistance to people in need across the county. Now, more than twenty five thousand community and faith-based organizations, county and municipal agencies, doctors, pharmacies, public and private companies, and individuals across the country have joined together to reduce the cost of medicine for people in one out every three counties in the United States. More than 675 participating United Way agencies and America's Promise Alliance Partners in all 50 states have volunteered to coordinate the local distribution of the free FamilyWize prescription drug discount cards. One of the most common questions is how the cards can be distributed for free. The answer is that the savings on the cost of the medicine is provided voluntarily by the more than 53,000 participating local pharmacies that have agreed to accept prices for medications that are close to the prices they make available to large insurance companies. FedEx Express provides the shipping. Brown Printing of Bethlehem, PA provides the printing. Sappi Fine Paper provides part of the paper and the Pharmacy Benefit Manager provides part of the processing fee included in the cost of the medicine to cover the administrative costs.
